1. Organization name, Address:
2. Contact person:
3. What demographic does your charity/organization serve? What audience, ages, etc.
4. How long have you been in service as a charity?
5. Does your organization have a web page?
6. Specifically what would the funds be used for? Rotary Club of Jasper members prefer a more long lasting use for the funds rather than funding for one program, i.e. a capital purchase, or improvements to a facility.
7. Would any funds go towards administration of the charity?
8. What types of projects has your organization previously accomplished?
9. How many people will be impacted by Rotary Club funding?
10. Would Rotary members be offered an opportunity to assist with the project in any way?
11. Your organization will be required to present an annual report to the Rotary Club of Jasper. Answer yes to confirm your willingness to provide periodic project reports, write an article about your project, and present an annual report to the club.
12. Optional comments: provide any other information to help reviewers gain a better understanding of the positive impacts of the project.
